A & B labels indicate a dish with a Very Low or Low carbon weighting. This grade is based on how much carbon is used to make 1kg of the food. We're committed to making climate-conscious food choices easier for our guests. For more information, please scan the QR code.

Our menu descriptions do not include all ingredients and we therefore recommend that you do not rely solely on this information. If you have a food allergy, please inform a member of the Food and Drink team before ordering and check the allergen information via the QR code on the menu, or by asking for the allergen folder. Whilst every care is taken to ensure cross-contact is minimal within our kitchens, circumstances may arise which are out of our control and could alter the accuracy of the dietary information provided.

We strive to continuously improve our sustainability efforts; this menu is made from recyclable materials with GREENGUARD Gold certification inks.
